**STEP ONE**

Patient calls or logs on to member portal to schedule a consultation with a physician licensed in their state.

**STEP TWO**

Member speaks to a Care Coordinator who will triage and update the patient's Electronic Health Record (EHR) along with all symptoms.

**STEP THREE**

Member consults with Physician who recommends a treatment plan. If a prescription is necessary, it's sent to the pharmacy of your choice.

**STEP FOUR**

The doctor will update the member's EHR immediately after the consultation. The patient has 24/7 secure access to their member portal.

**Enrollment is easy and for group list bill, your company can spreadsheet enroll!**
